

# Stock Market Investment Fantasy League Group 1

The background features abstract, overlapping green geometric shapes, primarily triangles and polygons, in various shades of green, creating a modern and dynamic feel. The shapes are layered, with some appearing more prominent than others, and they extend from the edges towards the center of the frame.

# Stockers

A brand new investing app for anyone who wants to experience  
the thrill of the stock market without the consequences!

# The Problem and Our Solution

- ▶ The Problem:

- ▶ Make a system where you can trade stocks
- ▶ The system should be easy to use
- ▶ The system should be convenient
- ▶ The system should be competitive

- ▶ Our Solution:

- ▶ **A Smartphone App**

# What's Different

- ▶ Today we live in a world of apps so rather than making a website like every other group, we decided to make an **APP**
- ▶ Our app is the first app where you can get access to trading stocks while being able to **track other peoples profits**
- ▶ You can get your friends to make an account on the app and **compete with your friends** to see who can make the most money
- ▶ **Chat lobby** to allow users to communicate and share information
- ▶ **Daily notifications** that allow you to see how your stocks have done over the day
- ▶ And so much more...
